**AUDITOR'S REPORT**

We have audited the statement of financial position of The Fulcrum Publishing Society as at April 30, 2009 and the statements of operations, cash flows and changes in net assets for the year then ended. These financial statements are the responsibility of the organization's management. Our responsibility is to express an opinion on these financial statements based on my audit.

We conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the organization as at April 30, 2009, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
